Subject: Relieving Letter

Dear Mohd Tabish,

This is to formally acknowledge your resignation from your position as Test Engineer at Prismire Software Solutions Pvt Ltd, which was effective from **12th November, 2024 to 09th February, 2025**. We confirm that all formalities related to your resignation, including the completion of your duties and the handover of projects, have been successfully completed.

As of 09th February 2025, you have been relieved of your duties, and we consider your employment with Prismire Software Solutions Pvt Ltd officially terminated. Your full and final settlement has been processed as per the company's policies and guidelines.

We appreciate the dedication, hard work, and valuable contributions you made during your tenure with us. Your role as a Test Engineer was vital in ensuring the quality and reliability of the software products, and your efforts will be remembered.

We wish you the very best for your future endeavors and continued success in your professional career.

Thank you once again, and we hope your experience with us was fulfilling.

Sincerely,

HR Manager
